Georgia Infection Prevention Collaborative Webinar Series

The Georgia Department of Public Health (DPH) and the Georgia Hospital Association are excited to invite you to an infection prevention webinar series. In support of improving patient care, this series seeks to increase infection prevention knowledge in Georgia.

Presented live until July 2027, the monthly series features subject-matter experts from DPH. Sessions will be recorded and available for on-demand viewing on **GHC911**.

The webinars are held on the **third Thursday of the month from noon-1 p.m. ET**.

Please share this with your colleagues.

NOVEMBER SESSION:

Carbapenemase-Producing Organisms (CPOs) in Georgia: Epidemiology, Outbreak Investigations, and Public Health Response
