

Region K Welcomes New Healthcare Coalition Facilitator

Maranda Canty is a passionate and dedicated public health professional who truly cares about strengthening her community. She has gained valuable experience in coordinating programs, engaging with the community, and forming partnerships with organizations to support meaningful initiatives. Maranda's enthusiasm for helping others shines through in her desire to make a positive difference in people's lives. She takes pride in delivering high-quality work, building meaningful relationships, and contributing to positive results for the communities she serves. She is excited about the chance to learn new skills, gain fresh experiences, and help achieve the coalition's goals as the Region K Healthcare Coalition Facilitator. In her downtime, Maranda loves spending quality time with her husband and three children, and she finds joy in watching game shows, playing trivia, and discovering new places through travel.
