 Immediately following the summit, join us for the Georgia Grown Networking Reception from 3:45–6:00 p.m. Please note: this event is already included in your Day 1 ticket registration.

Day 2: Georgia Association for Food Protection's (GAFF) Fall Meeting

 November 5, 2026 |  8:00 AM – 3:00 PM

Hosted by the Georgia Association for Food Protection, this in-person meeting brings together professionals from every corner of the food safety community—including production, processing, retail, regulation, and academia. With timely presentations from university researchers and industry leaders, plus opportunities to network and collaborate, this event supports GAFF's mission to advance food safety and safeguard the food we all depend on.
