

# MONTHLY NEWSLETTER

January 2026

## Coming up...

Coalition Skills Day - Patient Tracking and Placement:

 **Thursday, January 22nd**

 **9:00 am to 1:00 pm**

 **DeKalb Public Health**

 **(445 Winn Way, Decatur, GA 30030)**

Please take a moment to register for the meeting:

[Training Registration System - GEMA](#)

We are looking forward to seeing everyone soon!

## National Radon Action Month

National Radon Action Month, observed each January, raises awareness of radon exposure risks and promotes testing and mitigation to reduce lung cancer risk and protect public health.

## Coalition Spotlight

If your facility has any upcoming projects, events, or success stories you'd like featured in our next issue, please use the link below to submit your spotlight.
